14 Contemporaneous with this motion, the government is filing its Court-ordered
15 response to Defendant Falasha Ali's motion for compassionate release, ECF No. 191. The
16 response refers to Government's Sealed Exhibit 1, which includes Ali's medical records
17 that undersigned counsel obtained from the Bureau of Prisons, and which the government
18 believes will assist the Court in evaluating Ali's motion. Because the records contain
19 private medical records, we believe they should be filed under seal and remain under seal.
20 The government therefore requests leave to file that record under seal. Undersigned counsel
21 will serve the sealed exhibit on defendant's counsel via email.
